CAUTION NOTICE

This is to notify the aspiring candidates and their parents/guardians and general public that recently few websites are operating unauthorisedly using the name of COMEDK, its logo and website contents. They are trying to mislead the public by fictitiously claiming to be official COMEDK websites from where the candidates can apply to COMEDK UGET 2020. It has also come to our notice that these websites, besides collecting the personal data of candidates, are also charging the candidates for offering such help.

Such websites are posing as official COMEDK website (and/or its authorised websites). These websites are collecting the personal data of the aspiring candidates which may be misused by them in future for monetary consideration.

We wish to caution the aspiring candidates and their parents/guardians and general public that COMEDK has not authorized any person or agency to offer help for registration and support for COMEDK UGET 2020 on any websites or to use the name, logo and its website contents. It is hereby made clear that COMEDK does not have any agents or touts, liaison, admission offices, representatives or any other office/s other than the office mentioned on its official website. It may be noted that "www.comedk.org" is the only official website of the Consortium and COMEDK is not responsible for information available on other websites / elsewhere.

It is advised not to fall prey to such fraudulent activities. Any candidate and their parents/guardians logging into such other websites or carrying on any transactions including financial and responding to communications by these fraudulent websites by whatever means will be doing so at their own risk and consequences. COMEDK will not be liable for any loss or damage that may be suffered or incurred directly or indirectly in this regard. COMEDK advises the candidates to bring these activities to the notice of the concerned police authorities.

Once again aspiring candidates and their parents/guardians are advised to log in only to www.comedk.org for all COMEDK related information.
